

SPECIAL RELEASE: FRI 9/12 The Viking Belgian-style Dark Strong Ale
Brewed with dark malts, star anise and sweet-ripened raisins, this is a very special commemorative beer created for our dear beer friend, Dave "Yano" Yanoshek, who died in a boating accident in late JUN. Yano's love of life and his BiG LauGH will be immensely missed. The proceeds from this beer will be donated to the Yanoshek family.

This is a limited edition beer and we'd like to sell it right away in order to donate funds in a timely manner. This is a 12% ABV beer—extremely celler-able—and ready to roll into your glasses, cellars and HeaRTs. Sales begin at NOON on FRI 9/12 with SPECIAL HOURS on SAT 9/13 NOON to 6 PM. Bottles only. No case discounts -- sorry but we're raising funds for a wonderful family. This beer will only be available at the brewery so come by to grab bottles or cases. Toast to Yano now and in the coming years, bringing some of that larger-than-life laughter into your LiFe. Buy now. Buy more than you think you can drink. And then drink it. Here's to LiFe and LaughTer and LoVe...and all that friendship means to you.
